

Dear Circle the State Parents,

God's Blessings to you today! It is time for us to start getting organized for the upcoming Circle the State Festival. This year's festival is on **Saturday, February 14th**. This event takes places during the morning and early afternoon hours. More details will be coming as this date approaches. *8th Grade Girls LIT is that same weekend.*

There are some registration details that are needed for this to take place. There is a \$25.00 fee to participate in this event. Also, students receive a t-shirt on that day and I need to know your child's shirt size. Please include that information in the registration form below.

Thank you for your work in this endeavor. If you have any questions about this day, please speak to me.

In Christ,

Paul Scheiderer
